

The Tribunal has resumed physical hearings w.e.f 01.03.2021 by extending an option that the counsel can also avail the facility of addressing arguments through virtual hearing. Those counsel, who are desirous of availing virtual hearing facility should inform the Court Master concerned seven days before the date of hearing so that Court Master can specify the fixed time for taking of the case of the counsel through virtual hearing.

It is made explicitly clear that so far as virtual hearing is concerned, the same is not available for recording of evidence.
